Dear Pamela Monroe,

As a resident of New Hampshire I hope the SEC will reject Northern Pass's certificate.

Eversource and Hydro Quebec have both said they aren't paying for the project which raises the question whether either of the companies have the financial capability to build and operate this \$1.6 billion project. The transmission towers and lines are going to have a horrible effect on the landscape, historic sites, and the environment in New Hampshire. The transmission line also will not serve our state, as it merely passes through New Hampshire.

THE REASON THAT BOTH EVERSOURCE AND HYDRO QUEBEC ARE NOT PAYING FOR THE BUILDING OF "NORTHERN PASS" IS BECAUSE, DUE TO DEREGULATION, THEY WILL BE CHARGING MUCH HIGHER INFRASTRUCTURE FEES TO THE CITIZENS WHO HAVE NO CHOICE BUT EVERSOURCE IN THEIR COMMUNITIES. PLEASE DO NOT FORCE EXTORTIONIST FEES ON THE CITIZENS OF NH - ESPECIALLY WHEN WE GAIN ABSOLUTELY NO BENEFIT FROM NORTHERN PASS. PLEASE HEAR THE CITIZENS OF NEW HAMPSHIRE AND NOT BE BOUGHT OFF BY CORPORATIONS!

I hope the committee will reject this project's certificate to prevent it from harming our state.

Thank you.

Sincerely,
Antonet C Piper
